FlashScent® USB Power Diffuser

PRODUCT FEATURES

- Plugs into any 5 volt USB port – computer, car or wall
- Body rotates to work with any outlet orientation
- Diffuses any essential oil – comes with 2.5 mL dropper bottle of oil and replacement pads
- Push button for low, high, off, with LED indicator light (green for low, red for high)
- Automatic shut-off after 4 hours to avoid power drain
- Decorative open-housing design for optimal diffusion
- Lid pivots so it's easy to load/unload pad and add fragrance
- Available from stock in 2 colorways/fragrances
- Patent Pending
- Customization Options
 - Available in any PMS color(s). Body and head are tooled separately to allow for two-toned colorway.
 - Customize vent pattern (requires tooling charge)
 - Logo and branding can be added to product.
 - Custom packaging available

01 Essential Breeze® Aromatherapy Fan

PRODUCT FEATURES

- Set it and forget it - screw in oil bottle for pure essential oil diffusion for a week plus
- No messy water, no adding drops, no heat
- Works with most 5 ml or 10 ml essential oil bottles with Euro dropper or drip regulator
- Powered by 4 AA batteries or USB cord
- Comes with extra pad and holder to use when changing fragrance
- Two frequency settings to optimize fragrance intensity
- Custom colors and vent patterns available
- Packaged in window box for maximum shelf impact
- Patent Pending

01 Essential Oil Scent Pendant™

PRODUCT FEATURES

- Artisan-made unique aromatherapy diffusion for your car or small space
- 2.5 mL bottle of 100% pure Lavender or Peppermint essential oil included
- Porous ceramic lotus flower inside locket absorbs essential oil drops, releases fragrance gradually.
- Hangs from rearview mirrors with decorative ribbon necklace
- Jeweled beauty of artisan craftsmanship
- Delicate aromatherapy while you drive
- Package contains filigree locket with ribbon necklace, ceramic insert, essential oil dropper bottle.

01 Power Fresh® Car Diffuser

PRODUCT FEATURES

- Ergonomic patent-pending design like nothing else in auto fragrance diffusion!
- Insert into car's 12-volt charger for 12 volts of scent!
- Push button power switch with LED indicator
- Automatic shutoff after 1 hour, push button reset
- Solid scent load avoids mess - comes with four refills for a month or more of fragrance..
- Diffuser lasts for years to keep it green.
- Available from stock in 2 colorways.
- In Speedway and Citrus Sky Fragrances.
- Customers return to stores for refills and other fragrance varieties.
- Custom colors and fragrances also available—ask about options.

01 Essential Oils

PRODUCT FEATURES

- Few merchandising items garner more stop-and-sniff appeal than fragrance products.
- Meet our exclusive and enchanting collection of essential oils.
- Organic and standard varieties
- For use in all Belle Aroma® and other essential oil diffusers - warmers, fans, ultrasonic and passive
- For home, office, car, sleep-away travel.
- 100% pure Essential Oils Collection meets the demands of aromatherapy enthusiasts.
- Sourced the world over for quality and purity.

01

ScentWow® Aromatherapy Diffuser

PRODUCT FEATURES

- Unique car diffuser designed especially for aromatherapy lovers.
- Removeable (and disposable) fragrance cartridge attaches to end cap. Holding cap, dip cartridge into included wide-mouth 10 mL bottle of essential oil.
- The wow factor - cartridge is immediately saturated with oil! User never touches oil pad.
- Plugs into car's 12-volt outlet
- Includes fragrance cartridge refills.
- Subtle colors and giftable packaging attract consumers to displays.
- Our brand or yours.
- Custom venting patterns, colors and fragrances. Ask about options.
- Patent Pending

01 ScentFlow® Diffusion Candle

- Power Levels--Low for No-Melt Tarts®, Medium for wax, High for oils
- Power Timer--Always on, 4, 8, or 12 hours
- In-line controls
- Long lasting halogen light with dimmer
- 120 Volt
- ETL/cETL approved

02 No-Melt Fragrance Tarts®

PRODUCT FEATURES

Standard wax melts are preferred to candles for safety reasons (no open flame or smoke). Belle Aroma No-Melt Fragrance Tarts® are even better as they:

- Require less heat for greater safety
- Last 3-4 times longer than standard wax cubes- you don't have to refill them nearly as often!
- Provide more consistent fragrance release
- Don't melt when used on low-heat settings, making refill and clean-up a breeze.
- Come in a wide variety of colors and fragrances
- Can be used with traditional wax warmers
- 3 Tarts/Package

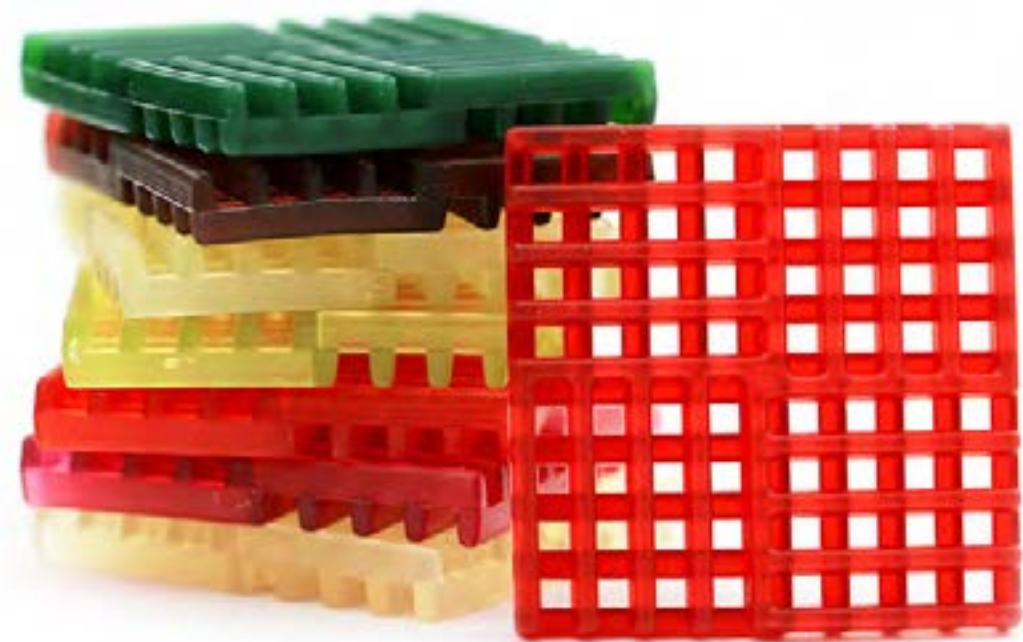

02 Plugables® ScentSlides

PRODUCT FEATURES

- A rotating plug for both upright and sideways outlets.
- On/Off- switch
